**Dimensions Living® Green Bay Recognized as a Great Place to Work**

**GREEN BAY, Wis. (February 8, 2024)**– Dimensions Living® Green Bay received Align’s 2023 Workplace Excellence Award for their dedication to workforce engagement.

The Team Member Engagement Survey was completed in January 2024 on behalf of Dimensions Living Green Bay by [Align™](#), an independent research firm that specializes in procuring purposeful data to support senior living and care organizations in quality improvement.

Designed for seniors who want to continue living as independently as possible, Dimensions Living Green Bay is a vibrant, assisted living community where a dedicated team focuses on ensuring every resident’s experience rises above and beyond expectations— no matter personal preference, need or condition. Dimensions Living’s compassionate caregivers are dedicated to thoroughly getting to know each resident to deliver comfortable, enjoyable, and personalized experiences each day— what is referred to as Senior Living Above and Beyond®.

The Workplace Excellence Award is presented annually to organizations who achieve at least a 25 percent response rate and met or exceeded 80 percent of survey participants responding with either “excellent” or “good” to the statement “Rate us as a place to work”.

“Earning a high level of favorable responses to the survey question, ‘Rate us as a place to work’, is an indication of Dimensions Living Green Bay’s commitment to creating work environments where employees feel an emotional connection to their work,” said Align CEO Neil Gulsvig.

Dimensions Living Green Bay is managed by Health Dimensions Group® (HDG), a leading management and consulting organization that provides nationwide services to senior living, post-acute, and long-term care providers, as well as hospitals and health systems. HDG is a values-driven organization with a commitment to the core values of hospitality, stewardship, integrity, respect, and humor®. Above all, HDG is committed to delivering quality services and health care to older adults, which the organization calls Caring Above and Beyond®. Also in Wisconsin, HDG manages Northern Lights Health Care Center and The Oaks at Northern Lights in Bayfield, Dimensions Living Appleton in Appleton, Dimensions Living Stevens Point in Stevens Point, Stoney River Marshfield in Marshfield and Wisconsin Veterans Home at Chippewa Falls in Chippewa Falls.

“The Align Team Member Engagement Survey supports our leaders in accurately measuring team engagement and overall team satisfaction throughout our multi-site community,” said HDG Regional Director of Operations Nick Fucile. “Annual survey results provide invaluable information that serves as a cornerstone for our workforce improvement plans.”
